

parla.common.array.CupyArray.copy_from

```
graph LR; A[parla.common.array.CupyArray.copy_from] --> B[parla.common.globals.get_current_context]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'parla.common.array.CupyArray.copy_from'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'parla.common.globals.get_current_context'.
