

parla.common.array.asnumpy

```
graph LR; A[parla.common.array.asnumpy] --> B[parla.common.array.get_array_module]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'parla.common.array.asnumpy'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'parla.common.array.get_array_module'.

parla.common.array.get
_array_module
