

parla.cython.tasks.TaskEnvironment.gpu_id

```
graph LR; A[parla.cython.tasks.TaskEnvironment.gpu_id] --> B[parla.cython.tasks.TaskEnvironment.get_parla_device]
```

A diagram showing a call to the `get_parla_device` method. On the left, a gray rectangular box contains the text `parla.cython.tasks.TaskEnvironment.gpu_id`. A blue arrow points from the right side of this box to the right side of a white rectangular box on the right. The white box contains the text `parla.cython.tasks.TaskEnvironment.get_parla_device`.

parla.cython.tasks.TaskEnvironment.get
