parla.common.array.CupyArray.copy_into

parla.common.array.Numpy
Array.can_assign_from

```
graph LR; A[parla.common.array.Numpy Array.copy_into] --> C[parla.common.array.Numpy Array.can_assign_from]; B[parla.common.array.CupyArray.copy_into] --> C;
```

The diagram illustrates a mapping or dependency. Two source boxes on the left point to a single target box on the right. The top source box is labeled 'parla.common.array.Numpy Array.copy_into'. The bottom source box is labeled 'parla.common.array.CupyArray.copy_into'. Both source boxes have black borders. The target box is labeled 'parla.common.array.Numpy Array.can_assign_from' and has a gray fill with a black border. Two blue arrows originate from the right side of the source boxes and point to the left side of the target box.
